\$50 BIN

As we update and expand our wine list, we always find "miscellaneous" bottles laying around our wine cellar. These orphaned bottles may exist due to recent vintage changes, or maybe just the last few bottles of an allocated case.

These bottles typically range from \$60 to \$120 on our wine list, and we would like to share them with you for \$50!

The catch is..... this will be a blind pick. The wine will remain a mystery until it reaches your table. All of the "grab bag" selections will be red. Enjoy!
